

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The cable ownership

cap is a crucial element of our democratic media, and it should not be weakened.

Hi, My name is David G. Moore I'm writing this letter to inform you Mr. Chairman Powell that the world is on fire and you with the support of your father and others in this wicked U.S. government are being let to make war with Jesus, the Son of God at Armagedon. And Satan and the Anti-Christ is going to use everyone including you as a Federal Communication Commission Chairman and your father and family, which I respect and love to undermine the divine freedom given to all men and nations equally to be able to speak freely about issues that very important to the Christ, Jesus. When you make laws to undermine what the Lord God has giving this nation to be a free divinely ordain free Society and to speak freely weather we agree or not, you incurently and maybe unknowingly will be fighting against his divine ordian order of creation and his Will for the humanity of the Universe and his Gospel. Making yourself a enemy of God and his Son, Jesus, and his divine liberty that now President!

Bush and American leaders are undermining through legislate man made laws against are divine ordain freedoms by God. You are living in troubling times Mr. Powell more troubling then the world and you will ever experience again and America and its leaders must now start standing for what this nation was intended by God to become: a nation of ordain divine freedoms and liberties for the whole of humanity. Your support to loosening the rules designed to protect diversity of media ownership is another way to give up and cast your pearls to unworthy men of wicked devises and corporations that are wicked and not worthy of your support. Those who in the end will uses them to enslave you and your children in a tyrannical facsist agenda of the Son of Perdition, The Anti-Christ and his onslaut of false carnal proporganda. This is not a joke! This is the last opportunity for the U.S. to Repent and make right what God ordained on this Continent of my Ancestors, the American Indian Nations..I ask you and the FCC to Pr!

otect Media Diversity. And I al

so ask that you break and save yourselve and your dear children, mother, and father eternal life.. by being a Son to the Lord God, the Son that even your own birth father would confess before the Lord his great mercy and grace. The God of freedom of Speech and liberty of the Spirit. You and the FCC have been appointed by the Lord in his great commission to break the curse and stronghold of this Pridful nation who continue munipulate the will of the American People who the Lord God seeks to belong to him in Christ. This Nation that has enslaved your family through the unrighteous decision of you father ambitions by not resisting its lust to control the world people divine soverieignty through self-centered media apartide of false nationalism and through unconsitutional laws of mere weak sinful greedy men, Carlyle Group, Rockerfell, General Electric, General Motors, the WTO, the World Bank etc., that what to undermine the communication that God himself has given all humanity to s!

hare their lives in his Truth, P

ease, and Justice for all free of cost. I must tell you all in the Federal Communications Commission you are in a great unseen spiritual war, a war of good over evil. If you undermine the ordian divine freedom that this nation of america can become, then you will undermine the truest purest intent of the life of Christ and his grace for the U.S. and all the worlds people and creation. You will be held accountable and responsible for your emity against the Will of God through the agenda of the Anti-Christ who hate the Son and his Sons who have and are being unjustly cuxsified for you and the world people of the Living God and

the only true God of Freedom. Hell, is real and your divine free choices to choose to obey God or obey man is your greatest conflict and challenge that all Individuals will have to decide on their own at this most crucial moment in history! For the sake of your eternal lives.

So be warned God will not be Mocked on this Continent of my People. And King George Bush II is not your father friend or anybody else's friend.

P.S. Your friend in Christ, always!

Stay Strong in Truth!

Thank You, David G. Moore.  
The Olive Tree!
